## AIM

The aim of the Construction Contact Centre (CCC) is to provide clients, stakeholders, partners and Construction Industry Development Board (CIDB) registered contractors with a one stop construction support service. This concept is an initiative by CIDB and the National and Provincial Departments of Public Works (DPW's) in support of contractors and construction industry development.

## SUPPORTING CONTRACTOR DEVELOPMENT BY:

- Growing contracting capacity
- Promoting Equity (targeted contractor development)
- Encouraging continuity and sustainable work opportunities
- Improving industry standards and performance in terms of quality, employment conditions, skills, safety, health, etc.

## SERVICES

The services to be rendered by the CCC include:

- **Contractor Registration Advice and Help Desk**
  - Distribution of CIDB registration forms through CCC Help Desks
  - Registration, upgrades and renewal process streamlining
  - Advice service
- **Support Services**
  - Support to clients and contractors (emerging and established)
  - Procurement and best practice advice to client departments
  - Facilitating access to contractor development training
  - Facilitating access to finance and technical support services
  - Facilitating access to information, communication and technology (Internet, email, quicklinks, webcams, video conferencing, etc.)
  - Facilitating business to business linkages and networking opportunities (subcontracting, Joint Ventures, etc.)
  - Facilitating links to key stakeholders/partners

## Enterprise and Business Development

- Facilitation of links to CIPRO, SARS, Tax/VAT Compliance, etc.
- Providing information to business, SME, entrepreneurial guides
- Facilitating referrals to other contractors, suppliers and construction support services

## Contractor Development

- Supporting implementation of National and Provincial Contractor Development Programmes
- Ongoing facilitation on access to finance and addressing other areas of contractor challenges
- Supporting targeted developmental programmes
- Contractor and clients support - webcams/video conferencing, and information sharing.

SERVICE DELIVERY  
REGISTRATION – DEVELOPMENT – FACILITATION

## COMMUNICATION NETWORKS

The CIDB and all provincial CCC's will be interlinked. This will provide the user of the centres with information regarding the construction industry in South Africa.

## PARTNERS AND CCC STAKEHOLDERS

The CCC concept is premised on a partnered approach. Partners and stakeholders will contribute in different ways to enhance the performance of the CCC. Amongst others, partners and stakeholders include:

- National and Provincial DPW's
- CIDB

## Potential partners include:

- Government Infrastructure Departments
- DTI - SEDA
- Developmental Agencies
- Regulatory Authorities
- CETA
- Higher Education and FET Institutions
- Private Sector
- Professional bodies and industry associations
- Established industry and contractors
- Banks and other financing organizations
- Material Suppliers
- CSIR

## WHAT ARE THE BENEFITS FOR YOU AS A PARTNER?

- Visibility
- Marketing opportunities
- Access to information
- Access to CIDB resources and registered contractors
- Facilitate industry charter implementation for your company / organisation.
