**About the cidb National Stakeholder Forum**

The National Stakeholder Forum (NSF) is a platform established by the cidb in terms of legislation. The Construction Industry Development Board No.38 of 2000 mandates the cidb to constitute the NSF every two years and to convene meetings of the Forum at least once a year. The role of the Forum is to facilitate engagement between the cidb, the Minister of Public Works and construction industry stakeholders on matters which affect construction industry development.

The cidb aims to have the NSF constituted by **February 2021**. The date of the first meeting of the Forum will be confirmed.
