cidb Online Registration for Contractors

Seamless Registration for all Contractors

Registration is a passport for all contractors seeking business opportunities with the government and for public sector clients awarding construction works tenders. It powers public sector infrastructure procurement and promotes contractor development. For a seamless registration experience, the cidb has introduced a fully digital online portal for contractors – eRoC.

What is eRoC?

The cidb eRoC is our online registration portal for Grade 1-9 contractors. Whether you are a Grade 1 newcomer or a seasoned pro, the online service makes registration easy for all contractors with a convenient click away.

Your One-Stop Portal for all cidb Applications

Here is a list of applications you can complete on our eRoC portal:

- New applications for Grades 1 to 9
- Annual update for Grades 2-9
- 3-Year renewal
- Additions of new classes of works
- Upgrading classes of works
- Payment for any registration service

Steps to Create Your Online Profile

For new applicants:

- Visit our website www.cidb.org.za
- Click on the “Online Registration for Contractors” tab
- Click on register
- Type in your Central Supplier Database (CSD) number and your email address
- Confirm company details
- Enter contact details, including your email address
- Click on register

- The system will send you login details by email. These include a password and your CRS number. You will be required to change the system-generated password to a new one that you prefer and can remember in future. The CRS number is your company's unique identity on the cidb Register of Contractors and part of your log-in details when transacting on eRoC.
- Keep your login details confidential and safe for all future use.
- The system will send you login details to the email address you provided. You will be required to change your password to a new one.

For existing applicants:

- Visit our website www.cidb.org.za
- Click on the “Online Registration for Contractors” tab
- Type in your CRS number, email address, and password
- Accept the terms and conditions
- Click on sign-in
