IDT CONTRACTOR DEVELOPMENT PROGRAMME

Building Sustainable Emerging Contractors for Infrastructure Delivery

Programme Purpose

The IDT Contractor Development Programme is aligned to the National Contractor Development Programme and seeks to develop emerging contractors through structured training, mentorship and practical project implementation opportunities.

Strategic Objective

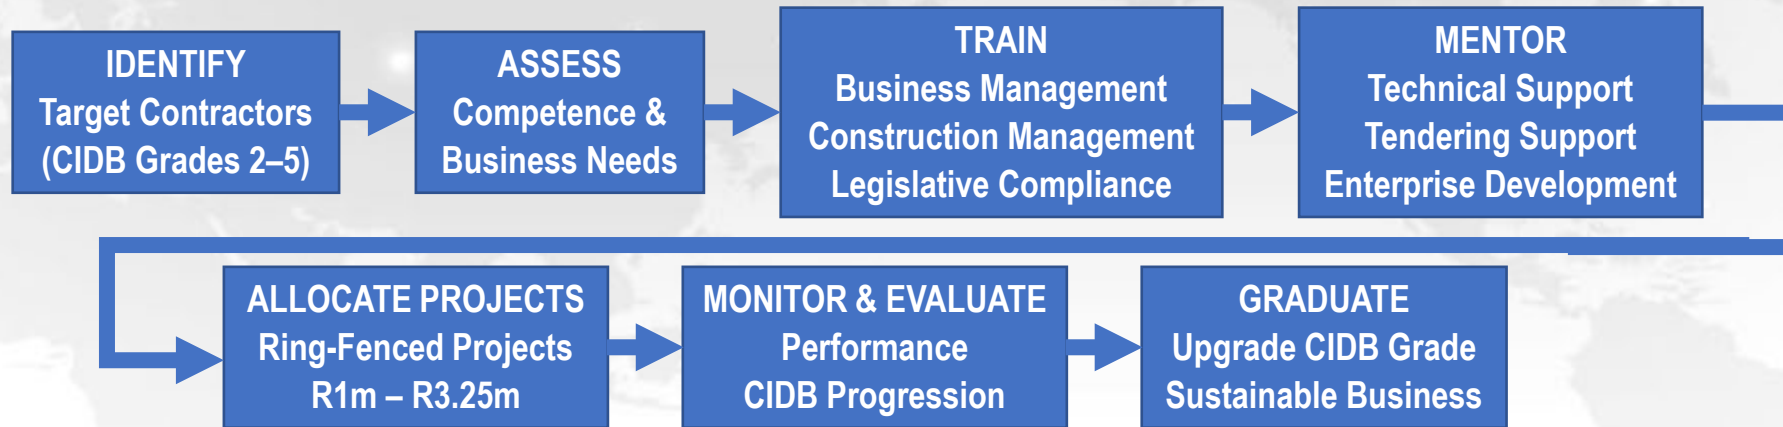

- Develop skills and business sustainability of emerging contractors
- Increase capacity, quality, performance and competitiveness of contractors
- Improve CIDB grading and contractor growth
- Promote participation of women, youth, persons with disabilities and historically disadvantaged individuals
- Contribute to infrastructure delivery and economic empowerment initiatives

Desired Outcomes

- Improved contractor competency
- Sustainable contracting enterprises
- Higher CIDB grading levels
- Increased transformation within the construction sector
- Enhanced infrastructure delivery capacity
